Dear Mr. Weis:

I want to thank you and your organization for the generous donation of \$5,000.00 to be used for Oklahoma's Internet Crimes Against Children (ICAC) program.

The ICAC program is very worthwhile as it is designed to protect children by identifying predators, arresting predators, and identifying and saving children. The OSBI ICAC Unit and Oklahoma ICAC Task Force are extremely active in their pursuit of adults who prey on children. The Task Force serves several search warrants each month; undeniably a dangerous task each time they go to a house and knock on the door. The predator knows why the police are at their house. Every year law enforcement officers are killed serving ICAC search warrants; many times the predator will take their own life in front of the officers because they know their life as they knew it is over.

For that reason, the OSBI will use your donation to purchase ten hand-held radio hands-free microphones for the Task Force to use during their search warrant activities. The use of those microphones will significantly increase officer safety.

Once again, thank you for the donation. Please feel free to contact either Assistant Special Agent in Charge Steve Tanner or me if you would like additional information.

Sincerely,

A handwritten signature in black ink that reads "Stan Florence".

Stan Florence
Director
